THIS STATUE OF JESUS IN GETHSEMANE IS A FINE LIFE-SIZE EXHIBITION of sand sculpturing by the famous artist, **Ted Conibear.** He has a technique all his own in packing any common sand with water and has created many outstanding Biblical scenes throughout the United States and Canada in the past 30 years.

3 tons of sand were used in this statue. It is on display with the Last Supper, modeled in 20 tons of sand, and other Bible scenes at Bible Land, Temecula, California, 40 miles south of Riverside on Highway 395.
